

Attorney Docket #: E6026-490

App. Serial No.: 10/825,517

Art Unit: 3641

Supplemental Amendment: August 15, 2007

REMARKS

This reply is responsive to the advisory action mailed August 7, 2007 and final office action mailed May 2, 2007 ("Office Action"). Applicant thanks the Examiner for allowance of claims 6 and 7. Claims 1-5 and 15-34 have been canceled without prejudice or disclaimer to place the application in condition for allowance. Independent claim 6 has been amended as to form for internal consistency to provide antecedent basis for the term "indicating element" pre-existing in other parts of this claim. Claims 8-11 and 14 have been amended to depend from claim 6 and should be allowable on that basis. Claims 12 and 13 as originally filed depend from claim 11, which now depends from allowed claim 6 and should be allowable on that basis. The pending claims are 6-14. No new matter is added. Entry of the amendments and reconsideration of the pending claims with a view towards allowance is respectfully requested.

Should there are any remaining issues that may be resolved via telephone to expedite allowance, the Examiner is kindly requested to contact the Applicant's undersigned representative at 215.979.1554.

Respectfully submitted,
